

SPEAK UP FOR THE LOVE OF...

JOIN Jesuit Missions as we lobby Parliament on **Wednesday June 17th 2015** in the fight against climate change!

We are part of **The Climate Coalition**, a group of 100 organisations united in the fight for: a) a cross-party global change agreement to end carbon pollution from fossil fuels, and b) to see the sustainable development goals (SDGs) reflect action on climate change.

June 17th will see the UK's biggest ever climate lobby: **Speak Up For The Love Of...** Over 10,000 people will flood the streets of Westminster to speak up for what they love and ask their newly-elected politicians to act on climate change. And in December, world leaders will meet in Paris to reach a global agreement to cut greenhouse gas emissions.

Jesuit Missions is asking all UK **Jesuit schools** to **show their love** for all the things we could lose to the impacts of climate change.

Schools can do this in a number of ways:

- **By sending representatives to march with us on June 17th**
- **By using our resources on climate (available online)**
